I \_\_\_\_\_ (please print name) understand that yoga includes physical movements as well as the opportunity for relaxation and relief of muscular

tension. As is the case with any physical activity, the risk of injury, even serious is always present and cannot be entirely eliminated. I am also aware that during craft activities there is also a possibility of injury due to the use of scissors and other materials, even under supervision.

I affirm that I am responsible to decide whether I and/my child are fit to practise yoga and able to take part in craft activities. I also understand that supportive and encouraging touch, massage, and partner and group interaction is an integral part of this class.

I hereby agree to irrevocably release and waiver any claims that I and/or my child/children have now or, hereafter may have against Yoga Kids Roc, The Rocci Tree.

We would love to document the day and we kindly ask for your permission to use any photographs taken that may include your child.
